

HERO[®] Allograft

Net proceeds from the sale of Hero Allograft are donated to charities benefiting children with life-threatening medical conditions.

Carlsbad Make-A-Wish Kid Angelina Has Special Wish Send-Off

L to R: Angelina at her "Ice Cream Party" Make-A-Wish Send-Off at Spinal Elements headquarters on August 18, 2015. L to R: Angelina's Mom Amelia Repetti, brother Luca, sister Gianna, Angelina, and Jason Blain, President, Spinal Elements.

Spinal Elements[®], Inc., a Carlsbad-based spine technology company, granted a very special wish to 92009 Make-A-Wish Kid Angelina recently in a Hero themed ceremony. Angelina, age 5, of Carlsbad, got a special Wish Ice Cream Party send-off before her trip to Disney's Aulani resort in Hawaii, where her wish was to swim in the hotel pools, take surf lessons, meet hula dancers and go on a snorkel cruise! Angelina has stage 3 Neuroblastoma. She lives in Carlsbad with her Mom, Dad, older sister Gianna (10 yrs) and brother Luca (8 yrs).

This is the latest of many ongoing donations the local Make-A-Wish San Diego chapter has received because of Spinal Elements' "Hero Allograft" program, and the fourth local Wish send-off the company has hosted to date. These donations are made possible by Spinal Elements' Hero Allograft product and the surgeons and hospitals that have pledged to use it.
